I am a self- taught, aspiring **front-end developer**. I have been learning for over a year from Udemy, books and other sources on the web, putting my skills to practical use along the way. You can view some of my work and learn more about my skills on my portfolio website mentioned above.

Recent Experience

04/2020 to present

Front-of-house,
The Clermont, Blackrock, Ireland

- Ushering diners to their tables and providing them with menus.
- Serving food and beverages from the kitchen and bar to each pertinent table.
- Clearing glassware, silverware and crockery from each table once guests have completed their meals, or upon request.
- Providing guests with their cheques and taking payments at the cash register.

03/2018 to 12/2019

Bartender
Ballymagarvey Village Wedding Venue, Ireland

- Greeted customers with cocktails at the wedding reception.
- Prepared a wide selection of mixed drinks and beverages for the guests.
- Ordered supplies and kept inventory at optimal levels.
- Maintained a clean and organized bar area.
- Displayed leadership and teamwork by organizing and carrying out work in a bar team.
